

Distribution Transformer
10kV 400KVA

Distribution Transformer
10kV 630KVA

Reliable Power Solutions

Energizing a Smarter,
More Sustainable Future

ABOUT US

Millenium Electric is a professional manufacturer specializing in the production of power distribution transformers. Our products are widely used in industrial, commercial and utility sectors, providing safe, efficient and reliable power solutions.

Reliable Quality

Strict quality control ensures stable performance

Advanced Technology

Continuously innovating for better efficiency

Customization Supported

Flexible solutions for diverse requirements

Global Service

Committed to serving customers worldwide

Modern Facility

Equipped with advanced production lines and test systems.

OUR FACTORY

No.555, Gangding Rd.,
Lin-gang Special Area, China
(Shanghai) Pilot Free Trade Zone,
Shanghai, China

MILLENIUM-TRANSFORMER

High-performance power transformers, dry-type transformers, and compact substations up to 138 kV, serving utility, industrial, and renewable-energy applications.

OUR CORE COMPETITIVENESS

18+ years of transformer manufacturing expertise

Proven large-scale supply capability for utility and industrial projects

Fully compliant with IEC, IEEE, ISO, and CSA — CE & UL certified

Strong OEM/ODM capability and fast global service support

OUR PRODUCT RANGE

Dry-Type Transformer: 10kV 630KVA

Dry-Type Transformer: 10kV 1250KVA

Pad-Mounted Transformer: 34.5kV 5000KVA

Pad-Mounted Transformer: 12.47kV 5000KVA

Power Transformer: 35kV 20MVA

Power Transformer: 110kV 63MVA
